

STRENGTH & CONDITIONING COACH STUDENT PLACEMENT/INTERNSHIP - GOSLING TENNIS ACADEMY

Athletic Performance Academy (APA) require a student or a coach at the beginning of their career to support the coaching staff and players in the field of strength and conditioning at Gosling Tennis Academy.

This is an opportunity to experience a high-performance environment interacting with accredited strength and conditioning coaches and high-performance tennis coaches, in a player centred team environment.

Benefits: This is a paid position (£10/hr.) and includes mentorship towards your UKSCA accreditation along with opportunities to observe/assist coaching taking place throughout the day. The paid coaching takes place in the afternoon, 4-6pm. It is not a requirement that you are available each day for coaching, Monday to Friday, but this is preferable. Hours are flexible but it would be ideal if the successful candidate can commit to 5 -15 hrs per week.

The position includes mentoring from the APA owner and attendance at a weekly CPD meeting. There will also be possible funding opportunities for CPD courses as well. If already qualified to the right standard or once UKSCA foundation level is achieved, the ability to do additional paid individual work under the guidance of the Head of Strength and conditioning is a possibility.

Length of Contract: Minimum contract time is 4 months and maximum is 10 months. We are currently recruiting for 4-, 7- and 10-month positions starting the week of Sep 5th, 2022.

Responsibilities: Assist in group and individual S&C sessions to all academy athletes along with performance testing and screening. Collaborate with a team of support staff, players and parents to continually instill a high-performance culture. The intern will report directly to the Strength and Conditioning Manager and Academy Manager and will receive guidance and support from the S&C Manager concerning session content.

Requirements: Applicants will preferably be working towards a degree in sport and exercise science and qualifications within the field of fitness and performance. Applications from people working towards other qualifications will also be considered. UKSCA or working towards UKSCA accreditation is preferred. Applications from candidates looking for a sandwich year internship would be most welcome.

Interested applicants should mail a CV and cover letter to daz@apacoaching.co.uk and put Gosling internship in the subject bar. Deadline July 4th, 2022
